10:16 PM Get a clear head and realize this guy isn't funny.
me: no, fuck you
Caleb: He's Bill Hicks with production values.
10:17 PM **me**: that's really a little much
Caleb: Watch the fucking clip, faggot.
me: no
start a gemstone character
10:18 PM **Caleb**: I already did.
me: oh yeah?

or her name?
10:19 PM **Caleb**: http://www.okcupid.com/profile/JudithSails
10:20 PM I look like a sphinx.
10:21 PM **me**: wait, what?
Caleb: Burn, bitch.
10:22 PM Realize my awesome power.
me: I don't understand

10:23 PM oh, you son of a bitch
10:25 PM **Caleb**: I brought you to the brink of destruction.
me: I just reset the password
10:26 PM **Caleb**: What password?
Now I am the one who doesn't understand.
me: did you not change my password to OkCupid?
I too am confused
10:27 PM **Caleb**: Oh.
I am sorry for that.
For that, I apologize.
10:28 PM **me**: what'd you do, exactly?
10:29 PM **Caleb**: It amuses me to keep you in suspense.
10:30 PM Wiggle, worm.
Wiggle.
10:32 PM **me**: "hey, what's the deal with that provocative message you just sent me? are you still in nyc?"
Caleb: The plot thickens....

WIGGLE!!

10:33 PM **me**: the plot doesn't thicken at all
that explains everything

Caleb: Well, I had my fun.
The point is that Louis C.K. sucks.

10:34 PM **me**: if you were smart, you would have sent my phone number to several fat girls
that thing I'm going to do when I set up an OKCupid account in your name

10:35 PM **Caleb**: Oh no, not in my mouth!

me: I'LL THROW YOU INTO THE BRIAR PATCH!

10:36 PM better yet, we need to make fake profiles
of girls
and fuck with Stein

10:37 PM **Caleb**: Hm.
Maybe you're right, Milhouse....

10:38 PM **me**: Fun IS fun.

10:40 PM **Caleb**: You sure he's not happily married yet?

10:41 PM **me**: I haven't checked in a few days
if you make a gemstone character I'll give you 20,000 silver
and an ora dagger

Caleb: No
Fucking
Way.
An ora fucking dagger?

10:44 PM **me**: did you see me on Russia Today?

10:45 PM **Caleb**: Did I not deign to facebook-comment on it, faggot?

me: oh, right

10:46 PM **Caleb**: "Oh."
"Right."

10:58 PM **Caleb**: Listen.
Don't talk to me any further.
I'm watching *Die Hard*.
